I concur with Allen's recommendation (1), but believe that action re (2) might better begin on [REDACTED] with a memo to the Sig. Officer requesting reactivation of our 1953 informal agreement for allocation of space for [REDACTED] area. If you concur I will begin work on a letter from the Director to the DOD on test firing, and will ^{25X1A7b} instruct Allen concerning a letter to the [REDACTED] Signal Officer.
